**The 2011 Campaign will go towards the purchase of OVER BED LIFTS in resident rooms at The Birches. These lifts are used to move residents who are unable to move from their beds, to chairs or bath tubs and provide a safe means for staff to assist residents. The cost of these lifts is \$6,000 each (installed) and it is our hope that this years NSS will raise enough to purchase 3 of them.**

Please detach and return this portion with your gift.
